

From Gina Culver and Cynthia Halliday,

Dear Colleagues,

We are excitedly restructuring our private practice and looking for one full time or 1-2 part time partners join us by subletting our office with us. The office is located at 3442 Mendocino Avenue, Suite A, Bldg E in the Fountain Grove Office Park. This location is easily accessible from Highway 101, Old Redwood Highway, and Mendocino Avenue. This office suite is in an area which draws clients from Petaluma, Rohnert Park, Santa Rosa, Rincon Valley, Windsor, Healdsburg, and West County.

The 820 sq. ft space contains

- ◆ A large waiting room which can be used after hours for groups.
- ◆ An art therapy room appropriate for families or small groups.
- ◆ The most amazing play therapy and sandplay room you've ever seen!
- ◆ A bathroom and small kitchen.
- ◆ An inner office which can be used for therapy with 1-2 people.
- ◆ Lots of free parking, and a bus stop across the street.

We are looking for a minimum year commitment with the right person. If this sounds as if it would be a good fit or you would like more information, please email either Gina or Cynthia to schedule a time for a meeting and tour.

With anticipation,

## Driving directions:

**Heading North on Mendocino**—pass the Bicentennial light (Kaiser on NW corner). Continue north. The first building is a radio station. The next complex is it—the Fountain Grove Office Park. Take the second driveway up a short hill to the back of the complex. Take the first left to Building E (which is actually three detached buildings). Our building is the back one, upstairs on the south end—Suite A.

**Heading South on Mendocino**—pass the Fountain Grove light. Stay in the left lane. Look for the bus stop/mail box on the side of Kaiser. Kaiser will be on the right side of the street. When you see the bus stop coming up, pull into the center turning lane. Turn into the first driveway for the Fountain Grove Office Park. If you miss it, you can take the second driveway even though it has exit arrows. Drive up the short hill to the back of the complex. Take the first left to Building E (which is actually three detached buildings). Our building is the back one, upstairs on the south end—Suite A.

The large Art Therapy Room also has room for small groups or families not shown here.
