DO YOU WISH TO OFFER YOUR CLIENTS **PSYCHEDELIC-** **ASSISTED PSYCHOTHERAPY?**

Be the Change in Mental Health (BTC) is a new kind of mental wellness clinic now open in Santa Rosa, serving the Greater North Bay Area. BTC was founded to bring **psychedelic-assisted psychotherapy** and other revolutionary treatment modalities for mental wellness to the public in a safe, medically-supervised, and legal manner. We offer **Ketamine-Assisted Psychotherapy (KAP)** and **Transcranial Magnetic Stimulation (TMS)** to treat a variety of mental health challenges.

Introducing our Affiliate Therapist Program

We are now offering an opportunity for therapists to bring their clients to our Santa Rosa clinic to collaborate in treatment. This could be your chance to offer your clients Ketamine-Assisted Psychotherapy to treat old patterns of thinking and feeling to make groundbreaking progress.

What does **BE THE CHANGE** provide?

- The Facility
- Medical Evaluation
- Scheduling
- Ketamine and Supporting Medication Administration
- Continuous Safety and Monitoring
- Collaborative Care

If you would like to be part of this ground-breaking opportunity or want to learn more about the benefits of incorporating Ketamine-Assisted Therapy into your practice, contact us today!
